Don't work here

[Clinical care coordinator](#)

Current employee, less than 1 year

San Diego, CA

Recommend

CEO approval

Business outlook

Pros

Quarterly Potlucks surrounding the holidays.

Cons

Micromanagement, petty leadership, false promises, overly strict working schedule (no flexibility). Negative Reinforcement, retaliative behavior, don't encourage learning & collaboration. Don't care about the patients

Advice to Management

Leadership should have an education requirement surrounding healthcare administration & how to promote a healthy work place.

Horrible leadership

Recommend

CEO approval

Business outlook

Pros

Standard 8:30-5:30, rarely needed to take OT.

Cons

Cliquey family nepotism, toxic leadership who speaks poorly on almost every employee, and terrible perspective on office COVID protocols. They play favorites and the people all hate their jobs just as much as you do.

Advice to Management

Have more compassion, patience, and be a leader by example other than just telling people we have to love our jobs
